Sterling 2 Section Couch

The Sterling 2 Section Couch provides excellent value for money and is suitable for a wide range of examination procedures. The fully adjustable backrest supports the patient for treatment or examinations in the seated position and the backrest can also be adjusted to -20° for neck and head examinations and some manipulative procedures. Additionally, an optional breathing hole and plug can be added for prone treatments. A hand switch is fitted as standard for height control with a foot switch available as an option.
