Safe working load:	185 kg (29 st)	Part number:	NSB-0-FL2-200
Max patient weight:	150 kg (24 st)		

How does FloorBed® 2 compare to a traditional nursing bed?

FLOORBED® 2 FEATURES AND FUNCTIONS:

FloorBed® 2 raises to 800 mm which facilitates an even safer working height for taller carers

The height of the head and foot board when FloorBed® 2 is at full height is 110 cm

The low head and foot board enable access to care tasks such as hair care and lower limb dressing

Low head and foot board will facilitate access to sliding sheets at the head or foot of the bed allowing single carer use to reposition a person up or down the bed

FloorBed® 2 Features

Width adjustable mattress guides

No trailing wires

Full nursing height

Concealed wheels

Backrest and kneebreak functions

Mattress platform height of just 7.1 cm – similar to a tennis ball!

FloorBed® 2 Accessories

Integrated side rails made of soft material

Head and foot board bumpers reduce impact and minimise the risk of injury*

Safety mat, 22 cm high. Provides same height as a FloorBed® with 15 cm foam mattress*

Safety sleeve reducing risk of entrapment as the platform mechanism is protected*

Bed lever to assist with bed mobility

Rotating bed lever for extra support in movement

Support bar to assist with bed mobility

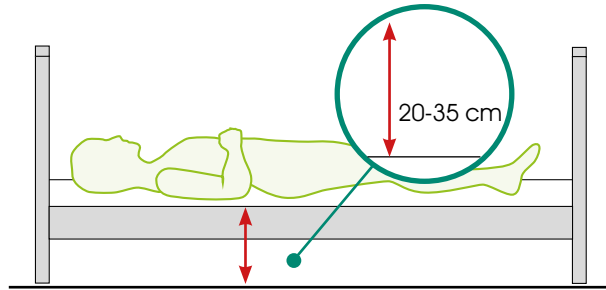

Easy to transport
